- & 5 6 Step in place on ball of R [&], Rock L forward [5], Recover weight R [6] 4.30
- 7 & 8 Step back L [7] Make 1/8 turn right stepping R to right side [&], Cross L over R [8] 6.00

START AGAIN - HAVE FUN

TAG 1: The 3rd (me you dance part A (music changes you will hear it), dance the first 12 counts of the tag - up to the shuffle.

The shuffle will actually slow down, after the shuffle you will do the steps below.... Please note the count is VERY rough as there is no beat at all and just a vocal which is at a complete different tempo to the dance, I have added the lyric it will hit.

“There’s a place for you my friend, there’s a way for you my friend. Just, show, her, some...”

- 5 6 7 8 Make 1/2 turn right stepping back L [5], make 1/2 turn right stepping forward R [6], point L to left side [7], hold (long) [8] 6.00
- & 1 2 Step L to left side [& “there’s a”], cross rock R over L [1 “place], recover weight L [2 “you”], step R to right side 6.00
- & 3 4 Step R to right side [& “my”], cross rock L over R [3 “friend”], hold [4] 6.00
- & 5 6 Recover weight R [& “there’s a”], step L to left side [5 “way”], cross R over L [6 “you”] 6.00
- & 7 8 Step L to left side [& “my”], cross R behind L as you sweep L [7 “friend”], hold continue sweeping L [8] 6.00
- 1 2 3 Cross L behind R [1], unwind a full turn left keeping weight L [2,3] There are no lyrics during these 3 ISH counts 6.00
- 4 Step R to right side (feet shoulder width apart weight on both feet) [4 “Just”] 6.00
- 5 6 Take R hand forward and up above head, fingers spread palms facing up [5 “Show”], Repeat with L hand [6 “Her”] 6.00
- 7 8 Bring both arms down slowly closing fists [7,8 “Some”] 6.00

PART A On the word “Swing” the beat kicks back in for you to dance part A - into Tag 2.

TAG 2:

After Tag 1 you will go into Part A facing the back, you will hear the music building up to something. Dance the first 24 counts of Part A, this will take you up to and include the rolling vine right (just before the L jazz box). Add the following counts below and then continue with part B twice.

Again the counts are very ‘ish’, you really have to listen to the music.

- 1 2 3 Cross L over R [1], Make 1/8 turn le\ stepping R back [2], Make 1/8 turn le\ stepping L to le\ [3] 12.00
- 4 5 6 7 Cross R over L [4], unwind a full turn le\ slowly with knees slightly bent [5, 6, 7] 12.00
- 8 1 2 Step R a big step to right side [8] slowly drag L towards R (weight remains R) [1, 2], drop head down looking at floor [3] 12.00
- 3 4 Drop head down looking at floor [3] 12.00

These last 4 counts are the last 4 counts of Part A

- & 5 a 6 Step L to left diagonal [&], Step R to right side (feet shoulder width apart) [5], Clap hands [a], Slap R thigh with R hand [6] 12.00
- & 7 8 Step L thigh with L hand [&], snap fingers on both hands [7], Step L next to right as you hitch R knee to right diagonal [8] 12.00

Continue with Part B twice.

Ending: For a cool finish, after doing part B twice, take R foot out to right side as if to do the knee pops of part A and just continue doing knee pops in and out to the ending few beats. 12.00
